## LESSON SCHEDULING FORM

Please circle or highlight all the lesson times below that work for you. Write me any special info I might need in the Comments section below. If you'd like the same slot as last year, please circle that time on the sheet and state that it was last year's time. Return the form to me with your signed contract, registration form, and tuition payment.

### Lesson Time Periods:

Tuesday and Wednesday, 2 pm to 6 pm

Thursday, 3 pm to 6 pm

Fridays, 2 pm to 5 pm

Saturday mornings, 9 am to 12 noon

*There are no lessons taught after 6:30 pm, as I am not available in the evenings.*

If you are a homeschooled student, there is much more flexibility, as we can schedule your lesson during the day before after-school lessons begin. Please indicate that under *Comments* below.
